Sound doctrine

“Christianity is a specific body of truth (and) on the central issues there must be no compromise.”

-Francis Schaeffer

Relational beauty

“Lovelessness destroys orthodoxy. If we do not show beauty in the way we treat each other, then in the eyes of the world and in the eyes of our own children, we are destroying the truth we proclaim.”

“A Bible-preaching church where no one can risk honesty is in danger of heresy.” -Ray Ortlund

“There should not be a disconnect between the grace of Jesus as we receive it in the Gospel, and church life.” -Sam Allberry

“We’ve just been stabbed on Weathertop, and we find ourselves in Rivendell where we can find space and healing and help and care.” -Allberry
